PROFILE	I have a keen interest in developing <b>high quality software which solves common problems</b> . Throughout my education and career, I have utilised my <b>consistent, strong work ethos</b> to enhance my <b>expansive skillset</b> . I love the field of technology and I strongly feel my <b>technical skills, passion</b> and <b>adaptability</b> can inject both creativity and innovation into any individual or team project.		
EDUCATION	<b>University of Reading</b> , Berkshire, United Kingdom <b>October 2010 – Present</b> <i>Computer Science BSc</i> <ul style="list-style-type: none"><li>Final Year Project:<ul style="list-style-type: none"><li><i>Mobile Computing and Location Aware Applications</i></li></ul></li><li>Notable Achievements:<ul style="list-style-type: none"><li>Averaged a high 2.1 (<b>69%</b>) throughout both Parts 1 and 2.</li><li>Elected <b>Course Representative</b> within the School of Systems Engineering. I highlighted key student issues to staff and actively promoted the actions needed to rectify them.</li><li>Worked as a member of the <b>Freshers' Week team</b>, inducting new students to University.</li></ul></li></ul> <b>Reigate College Sixth Form</b> , Surrey, United Kingdom <b>September 2007 – June 2009</b> <ul style="list-style-type: none"><li>'A' Levels:<ul style="list-style-type: none"><li>Computing (Grade <b>B</b>)</li><li>English Language &amp; Literature (Grade <b>B</b>)</li></ul></li><li>Psychology (Grade <b>B</b>)</li><li>'AS' Levels:<ul style="list-style-type: none"><li>Mathematics (Grade <b>C</b>)</li></ul></li></ul> <b>Woodcote High School</b> , Surrey, United Kingdom <b>September 2002 – June 2007</b> <b>10<sup>1</sup>/<sub>2</sub> A* – C Grade GCSEs</b> including English Language, English Literature, Mathematics, Double Science, Information Communication & Technology and Design & Technology: Graphic Products.		
SKILLSET	Mobile platforms; iOS and Android. Web technologies; Ruby (Sinatra and Ruby on Rails), PostgreSQL, PHP & MySQL, HTML5/CSS3, JavaScript. Server platforms; including AWS and Heroku.		
EXPERIENCE	<b>Conjure</b> , Software Developer <b>July 2012 – Present</b> Worked in a close-knit development team, developing mobile applications for globally recognised brands. I mainly spent my time preparing in-house projects (such as Mixer and alibi) for launch, by integrating core functionality, patching software and creating launch material - all to a very high standard of quality. Mixer later went on to feature on TechCrunch and in The Guardian.  <b>WHSmith Travel Stores</b> , Customer Assistant <b>July 2011 – September 2011</b> Working at WHSmith improved my skills in customer service whilst working in a busy, productive and demanding customer-orientated environment, yet maintaining a very polite and positive attitude to customers.  <b>Tesco PLC</b> , Customer Assistant <b>September 2009 – February 2010</b> I ensured to maintain a high level of rapport with customers to represent exceptional customer service.		
OTHER	<ul style="list-style-type: none"><li>Created <b>UniApp</b>, a cross-platform mobile application which provides a portal of information for students at the University of Reading.
